December 19, 2014

Dear Guidance Counselor or Principal:

For close to 30 years, the South Branch Voiture # 1535 40/8 has been awarding nursing scholarships for nursing students in the Eastern Panhandle.

Eligible students are high school seniors or college freshmen from the Eastern Panhandle counties of Berkeley, Morgan, Hampshire, Mineral, Hardy, Grant and Pendleton.

This is an annual lump sum award depending on funds available and is awarded to a successful applicant in his/her second semester after receiving acknowledgement from his/her school of enrollment in a nursing program.

If you have a male or female student interested, have them write or call me for more information or an application. Even though this is an annual scholarship, further correspondence will not be mailed due to growing expenses. Please retain this information for future reference.

We would appreciate any extra effort to recruit applicants.

Sincerely,

Jack Haines (Bic)

Blair M. Haines, Jr.
