

**BERKELEY SPRINGS HIGH SCHOOL
 COURSE SELECTION WORKSHEET 2017-2018**

CORE COURSES

All core courses are determined by teacher recommendation and review of WVDE graduation requirements. Teachers consider current grades and assessments to determine placements. You will have the opportunity to review those recommendations when you meet individually with your school counselor to choose your electives.

ELECTIVE COURSES

Electives should be chosen based on your Personalized Education Plan (PEP) created in the 8th grade. You can amend your PEP at the end of any semester as long as it does not interfere with the completion of graduation requirements based on availability of courses. Please choose up to three electives and write two additional choices in the space below as alternates.
