

Dear friends and supporters,

We are looking for interns and volunteers who are motivated, energetic, and dedicated. Are you interested? Or do you know someone? *Please forward this message to all students, senior organizations, church groups, colleges, etc.!*

Our Children, Our Future Legislative Event Intern (1)

This intern will assist in the planning and executing of Kids and Families Day at the Capitol in February during the 2017 legislative session. This intern will also be responsible for helping with additional events/activities that may take place during the legislative session.

Our Children, Our Future Video / Graphic Design Intern (1)

This intern will work with our Advocacy team to create 5-10 original web videos to help promote some of the issues that matter most to children and families. This intern will also assist issue teams with any additional infographics and printed materials needed for the legislative session.

WV Healthy Kids and Families Coalition Fundraising Intern (1)

This intern will work to help organize small fundraising events, with key donors, as we build our capacity for the future.

Strong Mountain Communities Events and Communications Intern (1)

Strong Mountain Communities is looking for an intern to work 10-15 hours a week to assist in planning of our annual WV Good Jobs Conference, plus a number of smaller meetings and events related to our efforts in economic diversification in southern WV. This intern will also assist in social media and PR related to our activities. This intern will start in January 2017 and stay through late fall of 2017.

Try This Interns & Volunteers (2 - 4)

Try This is looking for media interns of any age to work 10 hours a week who can help us write, post, and maintain written, video, and social media content. Some will write short stories about Try This projects for local papers. Some will maintain our social media accounts. Talk with us, and we'll figure it out. You can be based Charleston or work remotely in other parts of the state. We will ask you to come to Charleston for training and for occasional workshops.

Try This is also looking for volunteers to help us run this amazing statewide healthy-community network: make phone calls, help send out social media blasts, do data entry, and more.

Plus one for Spring 2017 - Wellness Research & Data Intern (1)

This position is for someone who is passionate about health and wellness and loves to play detective and research studies and find missing links.

This intern will help create data sheets using Excel and other documents to compile research and data for this project. This inter will also have no problem calling people on the phone for information and accompany the supervisor for light travel in the state.

And one more for Spring & Summer 2017 - Conference Planning Intern (2)

Young West Virginia 2017 needs an intern to help organize the state's largest student-led leadership conference in September of 2017. Join a fun and energetic team of young people who are looking to make changes in their communities.

Volunteers

We are always looking for volunteers to work in the office to make phone calls, assist with mailings, do data entry, and more.

HOW TO APPLY

To apply, please send a cover letter and resume to me (kasey@ourfuturewv.org) with the word "INTERNSHIP" or "VOLUNTEER" in the subject heading. Include the following information: your daytime phone number, email address, number of hours a week you are available, dates you are available, specific areas of interest and why (i.e. policy, graphic design, events, fundraising, social media, research), and any relevant experience.

Thank you,

Kasey
