

West Virginia Virtual School

<http://wveis.k12.wv.us/vschool/courses/coursecatalog.cfm>

Virtual Classes (On-Line Classes)

Grade Level: 11-12

Pre-Requisite: *Media Specialist approval; Virtual Class Contract on file.*

(There is a deadline for applying. Please see your counselor for more information.)

Description: Virtual Classes are offered for courses a student has interest in taking, which are not offered in the Master Schedule. Virtual courses are rigorous and should be taken only by those students who can work well independently and responsibly. Any student who meets the criteria set by the school's Media Specialist and is accepted into the course will be expected to stay in that course for the entire school year. All virtual courses are paid for by the State of West Virginia and availability is limited.

CTE Virtual School (On-Line Career Concentrations & Courses)

Grade Level: 9-12

Pre-Requisite: *Media Specialist approval; Virtual Class Contract on file.*

(There is a deadline for applying. Please see your counselor for more information.)

Description: CTE Virtual Classes are offered to all BSHS students who would like to graduate with a complete certification. Students will work independently. Any student who meets the criteria set by the school's Media Specialist and is accepted into the course will be expected to stay in that course for the entire school year. All virtual courses are paid for by the State of West Virginia and availability is limited.
